

# Smarter Doctor Blades

## for Corrugated Printing

Print Quality

Pressroom Safety

Blade Life

TRUPOINT  
**GREEN**®

Replacement for steel in moderate to high graphics applications

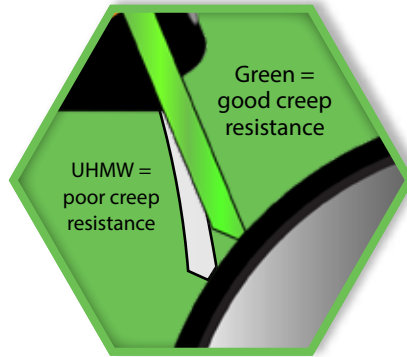

TRUPOINT  
**DURAPPOINT**™

Exclusive, next-generation UHMW upgrade for increased run time and superior blade life

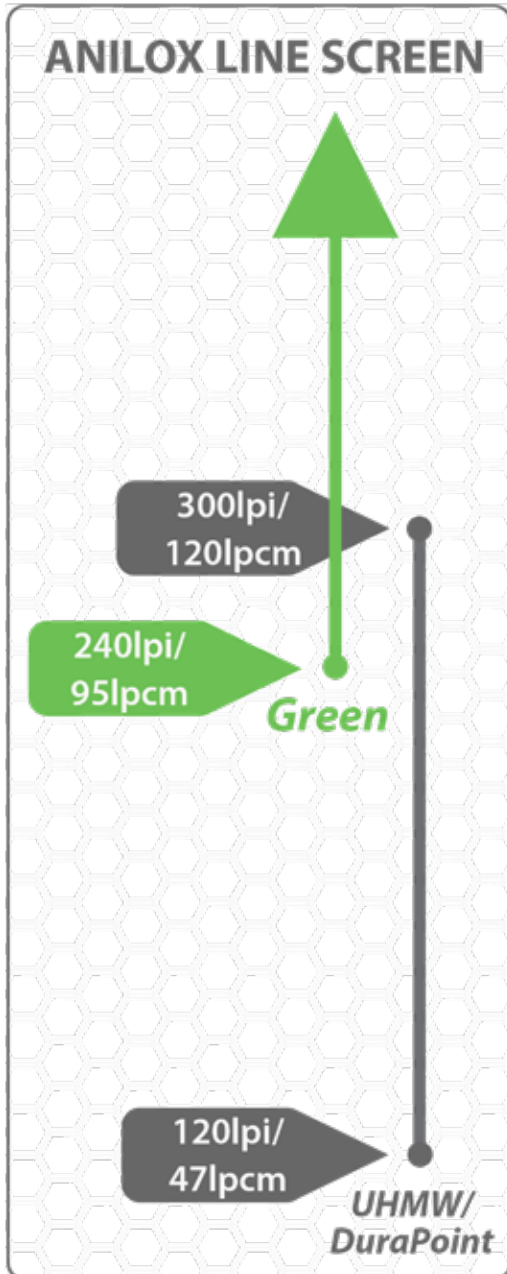

TRUPOINT  
**UHMW**™

Standard UHMW product for blade life and safety

## Bend Resistance

Material stiffness and rigidity that resist bending under pressure

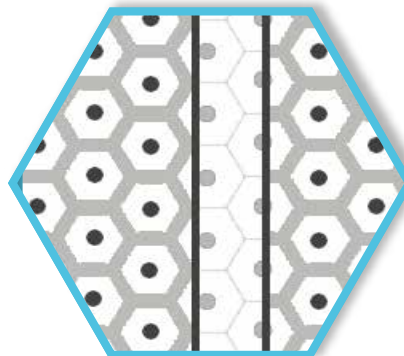

## Pressroom Safety

No injuries to operators when changing blades

## Blade Life

Durable blade material lasts longer than steel

## Anilox Roll Scoring

No splintering of the material that can cause score lines
